DON'T WORRY

It Makes Wrinkles

Worry over ill-health does your health no good, and merely causes wrinkles, that make you look older than you are.

If you are sick, don't worry, but go about it to make yourself well. To do this we repeat the words of thousands of other former sufferers from womanly ills, similar to yours, when we say:

Take VIBURN-O

It is a wonderful female remedy, as you will admit if you try it.

REV. R. P. CAREY WILL REMAIN HERE

Decides Not to Except the Call to the Christ Episcopal Church in Corning, N. Y.—Decision Heard With Great Pleasure.

An announcement which will be heard with great interest throughout the parish of Christ Episcopal church, is that made Friday by Rev. Nelson Poe Carey, rector of the church, to the effect that he had decided not to accept the call to Corning, N. Y., but will remain here.

Carey stated that he had had difficulty in reaching his decision because of the flattering call and yet he felt that he could not say the word which would separate him from Norwich. "I love Norwich, and I love its people," said Mr. Carey, "and I didn't want to go away, but three days ago I had practically decided to accept the call." He had a conference with Bishop Chauncey B. Brewster of the diocese of Connecticut and also with the people of Christ church here, and as the result he decided to remain in Norwich. Rev. Mr. Carey has been one of the most popular rectors Christ church ever had and had been there nearly two years. He has been a pastor who has stirred up increased activity in the church and its various organizations and also had been very successful in raising funds for the parish.

The State Firemen's association, through its executive committee, adopted resolutions which were sent to him and to Bishop Brewster expressing the hope that he would remain here, he being state chaplain of the association, and the brethren throughout the state will learn of his decision with deep interest.

The company is to erect a big lumber shed 150x245 feet and also a shed there 50x30 and erect another later of the same size. Mr. McLaughlin of the company has a wide acquaintance throughout this vicinity, having been connected with many timber deals in this part of the state and Rhode Island.

Another Petition for City Meeting and Information on Various Sites.

Mayor Charles F. Thayer has received a petition signed by Albert Boardman and twenty-seven others for a special meeting of the city officials at which the proper city officials shall be requested to be present and prepared to present before the board of aldermen the various advantages of the different available sources of water supply.

The petitioners stated that they considered the call he had issued as broad enough to allow for a proper discussion of the matter of securing water for the city by any method by which city officials could be compelled to attend such a meeting, but as far as he personally was concerned he would be present.

The Most Severe Cold and Grippe Misery Will Be Relieved In Just a Few Hours.

You can surely end Grippe and break the most severe cold either in head, chest, back, stomach or limbs, by taking a dose of Page's Cold Compound every two hours until three consecutive doses are taken.

It promptly relieves the most miserable neuralgia, pains, headache, dullness, head and nose stuffed up, feverishness, three shivers were played, catarrhal discharges, running of the nose, soreness, stiffness and rheumatic twinges.

Take this harmless Compound as directed, without interference with your usual duties, and with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects, as a 25 cent package of Page's Cold Compound, which any druggist in the world can supply.

FALLING HAIR

Easy to Stop It and Make It Lustrous and Beautiful

If your hair is falling out; if you have dull unattractive hair, or if you need a daily hair dressing, read what Mrs. Hettie Hodgman of Nelsonville, Erie County, Ohio, writes June 3, 1910, about Parisian Sage:

"I used Parisian Sage for falling hair and find it the finest thing I ever heard of. My hair was falling out by combing full, and I could run my fingers through it and they would hang full of loose hair. I washed my hair and got a bottle of Parisian Sage and used two applications, and I could see a great difference. My hair was lustrous and nice and had almost stopped falling out, and by the use of one more bottle it stopped altogether."

For women, for men or for children, Parisian Sage is without any doubt the finest preparation for the hair. It is guaranteed by The Lee & Osgood Co. to stop hair from falling; to eradicate dandruff and stop itching scalp in two weeks, or money back. It is a most daintily perfumed and refreshing hair dressing, free from grease or stickiness, and ought to be in every home where every member of the family could use it daily. Large bottle 50 cents at the Lee & Osgood Co. and druggists everywhere. The girl with the Auburn hair is on every package.
